

REMARKS

Pursuant to the request of the Examiner in the Office Communication mailed October 20, 2008, Applicants have compared the claims listing in its entirety with the immediate prior version. No other discrepancies, other than the two noted by the Examiner in the Office Communication, were found. Therefore, claim 1, line 5, of the prior version has been corrected by removing the underlining of the semi-colon after the word “distributed” in claim 1, line 8, of the current version, thereby accounting for the semi-colon in the prior version. Additionally, claim 9, line 3, of the prior version has been corrected by removing the marking of the colon after the word “comprising.”

As requested by the Examiner, review of the claim amendments has been conducted and appropriate correction as required has been completed. Applicants respectfully request that the Examiner now resume her examination of the case at hand and the Amendment and Response Under 37 CFR 1.116 filed July 30, 2008.

CONCLUSION

Applicants respectfully submit that the claims are in condition for allowance, and notification to that effect is earnestly requested. The Examiner is invited to telephone Applicants' representative at (612) 371-2132 to facilitate prosecution of this application.

If necessary, please charge any additional fees or credit overpayment to Deposit Account No. 19-0743.

Respectfully submitted,
